

10 Commandments

Illustrations

The Ten Commandments are listed and discussed on page 174 of your textbook. Create a visual representation for each Commandment. Caption each illustration with the Commandment. Summarize the book's discussion of the Commandments as a border, header, or footer to your project. Give your work a polished look by covering all pencil lines with ink and coloring your artwork.

5 points each:

- _____ Your name and an overall title are easy to find on the front of your work
- _____ Commandments are presented in order
- _____ Work presents neatly: use of space, legible writing, color, time and care
- _____ Captions are punctuated and spelled correctly

10 points each:

- _____ Illustrations show the meaning of each Commandment
- _____ Illustrations are accurate and school appropriate representations
- _____ Summary of discussion of Commandments is accurate and insightful
